OH-BERRY & CO.
MEN & BOYS' OUTFITTERS.

Republican majority of over a thousand in the State.

PROBABLY UNCHANGED.

Same Delegation Most Likely Elected From Indiana.

INDIANAPOLIS, IND., Nov. 8.—Indiana has been carried by the Republicans by from 6,000 to 8,000. The Legislature will be Republican by nearly fifty, probably more. All the nine Republican congressmen are re-elected by increased majorities, and the Republicans claim also the Second and Twelfth Districts, now represented by Representatives Miers and Robinson, both Democrats. They are in doubt.

The Republicans have almost, if not quite, doubled the McKinley plurality in the State of 26,467 four years ago. Marion county, which includes Indianapolis, 122 out of 230 precincts indicate the Republicans have carried the county by 11,000, which is almost double the McKinley plurality of four years ago.

In nearly a county of the State have the Republicans failed to make large gains.

DAWSON MAY BE BEATEN

But National Ticket Has Certainly Carried West Virginia.

WHEELING, W. VA., November 8.—At 11 o'clock to-night the returns from West Virginia are unusually meagre, and it is impossible to accurately outline the result, except in the most general terms.

The belief is that Roosevelt and Fairbanks have carried the State by a majority exceeding ten thousand, and probably more. Meagre reports from a number of counties show that nearly everywhere the Republicans have sustained only slight losses as compared with their previous majorities. It is probable that the Legislature will be Republican in both branches, which will mean the re-election of United States Senator Nathan B. Scott, of Wheeling.

The fight for the governorship was the feature of the election, and the reported defections from Dawson in many counties tend to the belief that when the returns come all in it will be probable that the Democratic nominee, John G. Cornwell, of Hampshire county, has defeated Secretary of State William O. Dawson, the Republican candidate.

BREAKS HER RECORD.

Plurality of Illinois Will be the Largest Ever Given.

CHICAGO, November 8.—According to the returns received at midnight, Illinois will give to President Roosevelt the largest plurality ever given to any presidential candidate. He has, by the unofficial returns, carried Chicago by 22,000 and the county of Cook, outside of the city, will give him about 5,000 additional, making his plurality in Cook county not far from 107,000.

The Republican State Central Committee claim the possible plurality for President Roosevelt in the State will total 214,000, though some of the committee claim 230,000. The Democratic Committee refuse to give any figures.

The Republican State ticket has been overwhelmingly elected. The State has been carried by a margin of 22,000, and the county of Cook, outside of the city, will give him about 5,000 additional, making his plurality in Cook county not far from 107,000.

MISSOURI IN DOUBT.

Both Sides Claim the State, However by Safe Majorities.

ST. LOUIS, November 8.—At 1 o'clock the results of the election in Missouri and in St. Louis were in doubt. Both sides claimed victory. The Democratic State Committee claimed that the State had been carried by a majority of 25,000 and St. Louis by 1,000, and that fifteen Democratic congressmen had been elected and the Legislature will be Democratic by a majority of forty, assuming the re-election of United States Senator Cockrell. On the other hand, the Republican Central Committee claimed that the State had been carried by a majority of 25,000 and St. Louis by 1,000, and that fifteen Democratic congressmen had been elected and the Legislature will be Democratic by a majority of forty, assuming the re-election of United States Senator Cockrell.

At 3 o'clock the latest figures on Governor in Greater New York gave Higgins 27,671 and Herick 23,134, or a plurality for Herick of 74,063 with 57 precincts still to be heard from.

MARYLAND REPUBLICAN.

State Has Probably Gone for Roosevelt by Small Majority.

BALTIMORE, MD., November 8.—Though the returns from the counties of Maryland are not complete, and those from four precincts in Baltimore are missing, the returns that have been received indicate that Maryland has gone for Roosevelt by a small majority, probably a few hundred votes, this estimate being based upon the returns received, and the voting records in those districts not heard from. It will be at an early hour to-morrow morning before the result is exactly known. In the six congressional districts of the State, three Republicans and two Democrats have been elected, with remaining district in doubt. This district is now represented by W. H. Jackson, a Republican, and the probability point to his re-election, greater out the four missing precincts. Parker's majority in Baltimore is 453. The chairman of the Republican State Committee claims that the final returns will show a

WAS IN FINE SPIRITS.

The President Naturally Elated at Result of Election.

WASHINGTON, November 8.—Surrounded by his devoted family and a company of intimate personal friends, President Roosevelt to-night received the news of his overwhelming victory.

The first information of a definite character was received by the President when he was at the White House. The returns then before him showed that he carried New York by a plurality so large as to be astonishing.

The President was in the best of spirits, but at no time did he manifest the slightest nervousness or anxiety. Soon after dinner a company of the President's friends of the President and Mrs. Roosevelt assembled in the parlors of the White House and extended their congratulations and congratulations to both of them on the result.

At 10:15 o'clock the President left his quarters and went to his private office in the executive building. There he greeted cordially a large number of the corps of Washington correspondents who had been awaiting him. The President then dictated a formal statement announcing that he would not accept a re-election. The scene at the moment of the making of the statement was notable. Ranked in a semicircle about the big table in the President's office, the correspondents faced Mr. Roosevelt as he tilted back in an arm-chair, dictated the announcement slowly to Secretary Lusk, who sat at the President's left. No other was verybody in the room that one could hear the clock tick on the mantel shelf.

After receiving the congratulations of

the newspaper men, the President received a committee representing the Republican political organizations of Washington and the members of the Junior League, to whom he spoke briefly.

WISCONSIN'S RESULT.

Big Roosevelt Plurality, But Both Sides Claim for Governor.

MILWAUKEE, WIS., November 8.—It is generally expected that Roosevelt has carried Wisconsin by a plurality estimated at between 60,000 and 75,000. Both Republican and Democratic State chairmen claim the State respectively for La Follette and Peck.

Republican Chairman W. D. Connor at 10 o'clock to-night said:

"From the returns received I figure that La Follette's plurality for Governor is 50,000. We have nothing to indicate the complexion of the next Legislature, which is to elect a United States senator."

Chairman A. F. Warden, of the Democratic Committee, said:

"I claim that Peck will be elected by 25,000 plurality. I have no returns on which to make a statement as to the Legislature."

TENNESSEE IS CLOSE.

Gives Majority to Parker and Both Sides Claim Governor.

NASHVILLE, TENN., November 8.—Owing to the length of the ballot the returns are slow in coming in, but the State is conceded to Parker by the Republicans, although they claim the election of their candidate for Governor, Jesse M. Littleton. Democratic chairman claims the election of James B. Frazier, for Governor by 35,000.

It is practically certain that the State will give Parker a majority of 25,000, while Frazier is re-elected Governor by from 12,000 to 20,000. Eight Democrats have been elected to Congress, making the delegation stand just as did in the last Congress. The Democrats have elected at least 100 out of the 132 members of the General Assembly, insuring the re-election of William B. Bate to the United States Senate. The seven proposed amendments to the State Constitution, extending the terms of the Governor, treasurer and controller, and providing for the election of the Secretary of State and State controller by the Legislature, are all defeated by a large majority.

GREAT OHIO VICTORY.

Plurality for Roosevelt Exceeds That for McKinley.

COLUMBUS, OHIO, Nov. 8.—The returns to-night indicate that the Republicans have broken all their records in Ohio. Their highest plurality was 137,000 in 1891 on a small vote, while that of to-day was on a large vote, greatly exceeding one million.

The Republican Committee estimates that the plurality for Roosevelt and Fairbanks will be double the highest plurality ever given McKinley either for Governor or President. It is estimated at from 140,000 to 150,000. The Republicans claim a net gain of at least one congressman, Taylor, from the Twelfth District. Chairman Barber, of the Democratic State Committee, also claims a net gain of one Democratic congressman.

RESULTS IN KENTUCKY.

Indications Point to the Usual Democratic Majorities.

LOUISVILLE, KY., November 8.—With one-third of Kentucky's 1,896 precincts reported at 11 o'clock to-night, the vote indicates a majority in the State for Parker of from 12,000 to 14,000. The time taken to report the returns and the Republican managers show but little variance from this result. Kentucky in 1900 gave Bryan 59,838 plurality. The returns from 833 precincts show a plurality of 16,000 for Parker. In the Fifth District, composed of Louisville and Jefferson county, the Democratic plurality of 3,636 in 1900 will be cut down by fully 2,000 votes. In the Third District, also, the Democratic majority was reduced. The complete returns from the strongly Republican Eleventh District are not expected for forty-eight hours, but the reduction of the normal Republican majority there as the result of a fractional vote will markedly offset the Republican gains in the Third and Fifth.

The result of the fight leaves the congressional delegation unchanged—ten Democrats and one Republican.

GAINS IN ARKANSAS.

Results Show That State Has Given Parker a Fine Vote.

LITTLE ROCK, November 8.—Enough returns have been received to show that the Democratic plurality in Arkansas is not less than 40,000, indicating a slight gain over the vote received by the Democratic nominee for Governor at the election in September. The First and Seventh Congressional Districts, where the Democratic nominee had no opposition, report a much larger vote than was expected. In the five congressional districts, where there were Republicans, the majority of the Democratic nominees will range from 2,500 to 6,000.

MASSACHUSETTS.

Douglas Elected Governor and Majority Given to Roosevelt.

BOSTON, Nov. 8.—The Globe at 9:30 o'clock to-night says that Douglas (Democrat) is elected Governor by a plurality of 25,000, and that Roosevelt has carried Massachusetts by 60,000.

Fifteen cities and towns for President in Massachusetts, out of 353, give Parker 1,937; Roosevelt, 2,338. Name in 1900 gave Bryan, 1,202; McKinley, 2,332.

Twenty-five precincts in this city give for President: Parker, 6,502; Roosevelt, 4,415. The same precincts in 1900 gave Bryan, 5,224; McKinley, 4,502.

Eighty districts in Massachusetts out of 222 give Bate 16,000; Douglas 12,433. Secretary Robert Rush, of the Democratic State Committee, claims the election of Douglas by 20,000, while conceding Roosevelt and Fairbanks 70,000 plurality.

NEBRASKA'S PLURALITY.

Will Run Up to 40,000—Fusion Candidate for Governor Wins.

OMAHA, NEB., November 8.—Nebraska will give Roosevelt a plurality which will reach nearly or quite 40,000. George W. Burke, the Fusion candidate for Governor, is probably elected by a plurality of from 5,000 to 8,000. The returns for the remainder of the State ticket are coming in slowly, but indicate that the Republicans will elect most of their candidates. At least four out of the six congressmen will be Republicans, and it

Crane, of the Republican State Central Committee, puts the figures at \$5,000.

DELAWARE.

WILMINGTON, DEL., November 8.—At 1 o'clock this morning returns at hand indicate that Roosevelt has carried Delaware by about 2,500 majority, and that the Republicans had elected their entire State Legislature will be Republican on joint ballot.

NEW JERSEY.

TRENTON, N. J., Nov. 8.—Incomplete returns and estimates up to 2 A. M. indicate that Roosevelt's plurality may go as high as 40,000.

MISSISSIPPI.

JACKSON, MISS., November 8.—Returns coming in show that between sixty and seventy-five thousand votes were cast and the opposition to the Democratic party polled between ten and seven thousand. Mississippi returns eight Democratic congressmen.

GEORGIA.

ATLANTA, November 8.—At midnight the returns are still meagre. There is no estimate of the estimated total of 90,000, and plurality for Parker and Davis of something over half this number. All eleven Democratic congressmen elected. Bell, in the Ninth, rolled up an overwhelming majority against Ashley.

ARKANSAS.

LITTLE ROCK, ARK., November 8.—The Gazette's advices from all parts of the State bear out previous estimates of a plural of 40,000 for the Parker and Davis electors.

Each of the seven congressional districts is Democratic by majorities ranging from 4,000 to 6,000. The total vote will fall short of that cast at the State election in September, on account of apathy in some of the counties.

SOUTH CAROLINA.

COLUMBIA, S. C., November 8.—Parker has carried South Carolina by not less than 40,000 plurality. The Democratic ticket has been elected without opposition. The State Legislature is unanimously Democratic. The following Democratic congressmen have been elected: First District, George B. Legare; Second, J. O. Patterson; Third, Wyatt Allen; Fourth, Joseph T. Johnson; Fifth, David E. Finley; Sixth, J. R. Miller; Seventh, Asbury, P. Lever.

LOUISIANA.

NEW ORLEANS, Nov. 8.—The Democrats have carried Louisiana for Parker and Davis by a majority of probably 25,000.

Seven Democratic Congressmen have been elected. The election was peaceful, and outside of New Orleans a light vote was cast.

publican), for Supreme judge, is running ahead of his ticket.

NORTH DAKOTA.

GRAND FORKS, N. D., November 8.—State returns are coming in very slowly. So far a normal vote is indicated, with 25,000 majority for Roosevelt.

FLORIDA.

JACKSONVILLE, FLA., Nov. 8.—Only a few of the very smallest precincts have been heard from. On account of the length of the ticket the election will not be completed in the larger precincts before to-morrow night. It seems probable that the State ticket is elected by 25,000 plurality. The presidential ticket is running slightly behind. Sparkman's majority in the First District is approximately 5,000. Clarke, in the Second, 7,000, and Lamar's in the Third, 8,000—all Democrats.

ALABAMA.

MONTEAGUE, ALA., November 8.—H. S. D. Maloney, chairman of the Democratic State Committee, said to-night that Alabama had cast the largest vote in years. The majority of the Parker electors will probably be 75,000.

RHODE ISLAND.

PROVIDENCE, R. I., November 8.—At 11 o'clock to-night, with 35 districts out of 113 in the State, reported Roosevelt was 5,000 in the lead over Parker, with votes of 8,767 and 3,718, respectively.

The fight for Governor remains in doubt with Utter (Republican) the leader and thirty-four majority in the State by 1,355 plurality. All but one district of the thirty-one is in the country.

DEMOCRAT LIKELY WINS.

Looks as if Adams Is Elected Governor of Colorado.

DENVER, COL., Nov. 8.—Estimates at midnight from scattering incomplete returns indicate a plurality of over 10,000 for Roosevelt in Colorado. The result as to Congressmen and State officers is in doubt, owing to the large number of scratched ballots that have not been counted. The Democrats claim that Adams is elected Governor by 7,000 to 8,000 plurality.

SCENES ON BROADWAY.

Great Thoroughfare Packed With Shouting, Noisy Multitude.

NEW YORK, November 8.—Broadway to-night from Twenty-third to Forty-second Streets was packed with a shouting, noisy multitude who were celebrating the election. Horns, bells, rattles, whistles and other contrivances which would create a din were used with vigor and effect.

Around the various points where bulletins were displayed the crowd completely blocked it. It was a good natured crowd, and all seemed to be Republicans for the time as the names of Roosevelt and Higgins were often and heartily cheered.

The result was known so quickly that much interest was taken out of the bulletins, and the crowds expanded their thousands in marching up and down the streets creating a deafening din that developed in a roar for more than a dozen blocks.

SAYS NEW PARTY.

Watson's Manager Predicts Formation of One Very Shortly.

NEW YORK, Nov. 8.—Melvin G. Palliser, manager of the Presidential campaign of Thomas E. Watson, to-night made the following statement:

"We expect 15,000 votes for Watson in the Greater New York and 25,000 in the State. It is a protest of the people against the alleged Democratic party. The result of this is that we will form a new party."

"Thomas E. Watson, William J. Bryan and William Randolph Hearst have been again in New York in about a week's time, and the first steps will then be made to form a new party. Mr. Bryan told me he could not break away from the people he had been crying against those people for holding, but after the defeat of Parker, which he knew was bound to happen, he could form a new party, and this will be done."

TEXAS.

AUSTIN, TEX., Nov. 8.—Early returns show that the vote cast to-day will hardly exceed \$5,000 of which 35,000 was cast for Parker, 90,000 for Roosevelt and the balance scattering.

NEVADA.

RENO, NEV., November 8.—So far as heard from, the Republican State ticket is in the lead, and Yerington (Republican), for Governor, is probably elected over Van Duzer (Democrat). The State is conceded to Roosevelt. Norcross (Republican) is elected.
